Various people, depending upon our association with others, know us in various ways. Today we celebrate how we know God. God is Trinity; Three persons one God.

Rev.'d Sheppard and I brainstormed some names in which we pray to and recognize God as Trinity. I invite you in your prayers and reflections this week, to explore the different ways in which we name God. How we perceive God tells us how we consider our relations with God. May we be open to God's love and presence in our lives.

God Bless,

David
